THE CHURCH
OF ENGLAND

Do you feel called to spend a year exploring your call to ministry in a parish in north-west England? Do you want to experience at first-hand what ministry is about? Might you be wondering about a call to ordained or lay ministry in the Church? Do you have a heart for reaching out to the marginalised in today's society?

The Church of England Ministry Experience Scheme in the Diocese of Blackburn offers parish placements to young adults (aged 18 to 30). It's a chance, within the national structure of the Church of England Ministerial Experience Scheme, to spend a placement year, funded and supported, experiencing ministry in a deprived parish in Blackpool.

VISION 2026

Your placement with us will take place within the context of Vision 2026 as we work together in our Diocese to become healthy churches, transforming our communities.

The year 2026 marks the centenary of the formation of the Diocese of Blackburn. In the ten years leading up to our centenary, Vision 2026 is a plan to turn around the long-term trend of gradually declining attendance. Our vision is for the growth of God's kingdom, not just of his church. Our vision is to develop healthy churches which transform their communities, a vision in which making disciples for Jesus Christ and pursuing social justice sit side by side.

As a diocese with our Vision, we are willing to face the cost of change; and in prayer we see the grace and power of God which can alone bring renewal and growth. We are committed to work together (clergy, laity, church schools, diocesan staff and the cathedral) to deliver Vision 2026 by:

Making disciples of Jesus Christ

- Knowing the Scriptures better through reading, teaching, preaching and study
- Praying with greater depth and urgency for the Kingdom of God to come

- Giving generously of our time, talents and money to the cause of Christ

Being witnesses to Jesus Christ

- Sharing the Gospel of salvation with confidence
- Holding regular enquirers courses in as many local churches as possible
- Showing God's love in action through projects that meet a local human need
- Offering thorough and accessible Baptism preparation and follow-up
- Planting or renewing 50 new strategic congregations by 2026

Growing leaders for Jesus Christ

- Supporting and equipping the current leadership for today's context
- Enabling missional leadership in every Christian community
- Liberating lay leadership for greater participation
- Creating the varied patterns of Sunday and weekday worship necessary to welcome all kinds of people, especially the newcomer

Through all this we are prioritising work among children, young people and schools to raise up a new generation for Christ.

The MES participants will be a part of this vision as we use this scheme to grow leaders by giving young people space to explore their own calling, whether that's to lay or ordained ministry, or something else altogether.

THE PLACE

Blackpool offers a wide range of opportunities for those who wish to experience life and ministry in an urban setting within areas of deprivation. Some of our parishes are amongst the most deprived ones in the Church of England.

Alongside a high proportion of retired aged residents, there is also high transience in rented accommodation for the younger population and a strong

contrast between the bright lights of the promenade and the poverty found a few streets away. In Blackpool we have many charities and organisations which work to support those in poverty.

In Blackpool there is also a strong sense of community. Many of those who live here have a real commitment to the town, and a sense of pride and belonging, held alongside a desire to see improvements where they live.

COMMUNITY LIVING

The participants will live together in a community house on the Mereside estate on the outskirts of Blackpool. This estate has good bus links to the rest of the town. As well as having its own shops and a take-away, the estate is also next to a large superstore and other facilities. Each participant will have their own bedroom and will share the kitchen, bathroom and living areas. The house chaplains will be in regular touch to ensure all is going well. Living together in Christian community will be a key element in this scheme.

WORSHIP

The heart of the church life is prayer and worship, from which everything else flows. In Blackpool you will find a wide range of different worship experiences within a range of spirituality. Prayer and worship will form a key component in your time with us and you will have the opportunity to be regularly involved with planning and leading parts of the worship services.

OUTREACH

Wherever you are placed in Blackpool, you will be involved in community outreach projects. You will be working alongside vulnerable adults, the homeless and those in great need. You will also be able to work in primary and secondary school settings and well as youth and children's work outside the school setting. WHAT NEXT?

If you decide during the placement that you're being called to explore further a vocation to lay or ordained ministry, there will be plenty of help and support in taking the next steps. If you decide that it's not something you are being called to, we are sure the experience here will still have provided much to help you on the next stage of your own vocational journey, wherever that takes you.
